Older Americans Month 2018 ~ “Engage at Every Age”

**A PROCLAMATION:**

**Whereas,** Buckeye Hills Regional Council and its Aging & Disability Division serve 45,000 citizens ages 60 and older; and

**Whereas,** we are committed to engaging and supporting older adults, their families and caregivers; and

**Whereas,** we acknowledge the importance of taking part in activities that promote physical, mental, and emotional well-being – no matter what your age; and

**Whereas,** we can enrich the lives of individuals of every age by:

- promoting home-and community-based services that support independent living;
- involving older adults in community planning, events, and other activities; and
- providing opportunities for older adults to work, volunteer, learn, lead and mentor.

**Now therefore,** Buckeye Hills Regional Council and its Aging & Disability Division do hereby proclaim May 2018 to be Older Americans Month. We urge every resident to take time this month to recognize older adults and the people who serve them as vital partners in our communities.

**Dated this fourth day of May, 2018**
