Assisted Living facilities offer a home-like setting that can provide a more intensive level of care than may be available through home care services. Ohio's Assisted Living Waiver Program assists with paying the cost of care in an assisted living facility for eligible individuals.

ASSISTED LIVING

Eligibility

Eligibility criteria for participation in the Assisted Living Waiver includes the following:

- Individual has a need for certain services and care;
- Is age 21 or older;
- Has the ability to pay the state established monthly room and board cost (based on the current Social Security benefit rate);
- And meets the established financial criteria.

The staff at Buckeye Hills Regional Council is available to provide additional information by phone or during face-to-face consultations. The face-to-face consultations are provided at no cost. Additional information and consultations can be obtained by contacting our office at **1-800-331-2644**.

Throughout the state of Ohio, there is a selection of Assisted Living facilities that are certified to participate in the waiver program. To identify participating facilities, you may contact Buckeye Hills Regional Council or visit Ohio's Long-Term Care Consumer Guide at **www.ltc.ago.ohio**.

This institution is an equal opportunity provider and employer.
