

## 2025 Title III RFP Questions & Answers

August 28, 2025

### **With ODA changing their formulation, are you anticipating a reduction in funding?**

*This question was asked and answered during the bidder's conference and can be reviewed by watching the recording on the website.*

At this time, BHRC is uncertain of any budget impacts. As ODA releases budgets and formulas BHRC will keep providers and applicants up to date with any and all information. Once we have confirmed budgets, BHRC will release final numbers so that providers can adjust, as needed.

### **Were the funding amounts previously shown per year or for the two-year contract duration?**

*This question was asked and answered during the bidder's conference and can be reviewed by watching the recording on the website.*

Each budget amount displayed is for a single, annual allocation for one calendar year.

### **Will grab-and-go meals be an available service for congregate meals?**

At this time grab-and-go meals are not an available service delivery. The rule for grab-and-go is still being developed and implemented by the Ohio Department of Aging. Once fully approved and published grab-and-go will become an eligible service. Once the rule is published, BHRC will revisit the service of grab-and-go meals, budgets, and service delivery.

The rule and current status of the rule can be found at the following link. (This rule is **not final** and cannot be implemented until notification from the Ohio Department of Aging.): [Grab-and-Go Rule](#)
