

Bid Packet
Claire's Corner Fuel Mart Re-Paving Project

Project Summary:

Following successful remediation of soil contamination associated with previously removed underground storage tanks, the project site must be restored to its pre-project surface condition. Gravel previously imported to the site has been backfilled into the excavation area to match the surrounding grade.

The selected concrete contractor shall remove the necessary depth of gravel to accommodate new

concrete placement, compact the remaining gravel base, and install concrete pavement to match the prior site conditions and surrounding elevations; please refer to the attached Concrete Pavement Recommendations Memorandum. All questions about the project should be directed to Kate Dunn (contact information below). Project coordination, observation, and documentation will be provided by SME.

NOTICE TO CONTRACTORS

Sealed proposals for the Claire's Corner Fuel Mart Re-Paving Project will be received by the Buckeye Hills Regional Council and Noble County Commissioners at the Noble County Commissioner's Office at 260 Courthouse #2e Caldwell, OH 43724 until Tuesday, October 6, 2026 at 4:00pm and then at **9:00am on Wednesday, October 7, 2026, at said office opened and read aloud.**

Bid forms may be secured by email from Kate Dunn, Senior Planner, Buckeye Hills Regional Council, kdunn@buckeyehills.org.

Bid Guaranty see page 6.

Bids shall be sealed and marked as Bid for: Claire's Corner Fuel Mart Re-Paving Project and mailed or delivered to:

Buckeye Hills Regional Council
Noble County Commissioners
260 Courthouse #2e
Caldwell, OH 43724

Instruction to Bidders

Receipt and Opening of Bids

The Buckeye Hills Regional Council (herein called the "Owner"), invites bids on the form attached hereto, all blanks of which must be appropriately filled in. **Bids will be received by the Owner at the office of 260 Courthouse #2e Caldwell, OH 43724 until 4 o'clock p.m. on Tuesday, October 6, 2026, and then at 9 o'clock a.m. on Wednesday, October 7, 2026, at said office publicly opened and read aloud.** The envelopes containing the bids must be sealed, addressed to Buckeye Hills Regional Council and Noble County Commissioners at 260 Courthouse #2e Caldwell, OH 43724 and designated as Bid for the Claire's Corner Fuel Mart Re-Paving Project.

The Owner may consider informal any bid not prepared and submitted in accordance with the provisions hereof and may waive any informalities or reject any and all bids. Any bid may be withdrawn prior to the above scheduled time for the opening of bids or authorized postponement thereof. Any bid received after the time and date specified shall not be considered.

Preparation of Bid

Bids submitted pursuant to sections [307.86](#) to [307.92](#) of the Revised Code shall be in a form prescribed by the contracting authority and filed in a sealed envelope at the time and place mentioned in the advertisement. The bids received shall be opened and tabulated at the time stated in the notice. Each bid shall contain the full name of each person submitting the bid. Except as otherwise provided in division (B) of this section, if the bid is in excess of ten thousand dollars and for a contract for the construction, demolition, alteration, repair, or reconstruction of an improvement, it shall meet the requirements of section [153.54](#) of the Revised Code. If the bid is in excess of ten thousand dollars and for any other contract authorized by sections [307.86](#) to [307.92](#) of the Revised Code, it shall be accompanied by a bond or certified check, cashier's check, or money order on a solvent bank or savings and loan association in a reasonable amount stated in the advertisement but not to exceed five per cent of the bid, conditioned that he shall, if his bid is accepted, execute a contract in conformity to the invitation and his bid.

(B) The board of county commissioners may, by a unanimous vote of the entire board, permit a contracting authority to exempt a bid from any or all of the requirements of section [153.54](#) of the Revised Code if the estimated cost is less than twenty-five thousand dollars. If the board exempts a bid from any but not all of these requirements, the bid notice published in the newspaper pursuant to section [307.87](#) of the Revised Code shall state the specific bid guaranty requirements that apply. If the board exempts a bid from all requirements of section [153.54](#) of the Revised Code, the notice shall state that none of the requirements of that section apply.

Method of Bidding

The Owner invites lump sum price bids as indicated in the Bid Form.

If the lowest total responsive bid received exceeds the amount of funds available to finance the contract, the Owner may:

1. Reject all bids;
2. Augment the funds available in an amount sufficient to enable award to the lowest responsive bidder;
3. Take the base bid less a number of items as listed on the proposal form as to produce a net amount which is within available funds.

Qualifications of Bidder

The Owner may make such investigations as he/she deems necessary to determine the ability of the bidder to perform the work, and the bidder shall furnish the Owner all such information and data for this purpose as the Owner may request. The Owner reserves the right to reject any bid if the evidence submitted by, or investigation of, such bidder fails to satisfy the Owner that such bidder is properly qualified to carry out the obligations of the contract and to complete the work contemplated therein. Conditional bids will not be accepted.

Bid Guaranty

§ 153.54 Bid guaranty to be filed with bid. -- for projects involving improvements or public improvements contracted for after January 1, 1992.

Text of Statute

(A) Each person bidding for a contract with the state or any political subdivision, district, institution, or other agency thereof, excluding therefrom the department of transportation, for any public improvement shall file with the bid, a bid guaranty in the form of either:

(1) A bond in accordance with division (B) of this section for the full amount of the bid;
(2) A certified check, cashier's check, or letter of credit pursuant to Chapter [1305](#) of the Revised Code, in accordance with division (C) of this section. Any such letter of credit is revocable only at the option of the beneficiary state, political subdivision, district, institution, or agency. The amount of the certified check, cashier's check, or letter of credit shall be equal to ten per cent of the bid.

(B) A bid guaranty filed pursuant to division (A)(1) of this section shall be conditioned to:

(1) Provide that, if the bid is accepted, the bidder, after the awarding or the recommendation for the award of the contract, whichever the contracting authority designates, will enter into a proper contract in accordance with the bid, plans, details, specifications, and bills of material. If for any reason, other than as authorized by section [9.31](#) of the Revised Code or division (G) of this section, the bidder fails to enter into the contract, and the contracting authority awards the contract to the next lowest bidder, the bidder and the surety on the bidder's bond are liable to the state, political subdivision, district, institution, or agency for the difference between the bid and that of the next lowest bidder, or for a penal sum not to exceed ten per cent of the amount of the bond, whichever is less. If the state, political subdivision, district, institution, or agency does not award the contract to the next lowest bidder but resubmits the project for bidding, the bidder failing to enter into the contract and the surety on the bidder's bond, except as provided in division (G) of this section, are liable to the state, political subdivision, district, institution, or agency for a penal sum not to exceed ten per cent of the amount of the bid or the costs in connection with the resubmission of printing new contract documents, required advertising, and printing and mailing notices to prospective bidders, whichever is less.

(2) Indemnify the state, political subdivision, district, institution, or agency against all damage suffered by failure to perform the contract according to its provisions and in accordance with the plans, details, specifications, and bills of material therefor and to pay all lawful claims of subcontractors, materialmen, and laborers for labor performed or material furnished in carrying forward, performing, or completing the contract; and agree and assent that this undertaking is for the benefit of any subcontractor, materialman, or laborer having a just claim, as well as for the state, political subdivision, district, institution, or agency.

(C)(1) A bid guaranty filed pursuant to division (A)(2) of this section shall be conditioned to provide that if the bid is accepted, the bidder, after the awarding or the recommendation for the award of the contract, whichever the contracting authority designates, will enter into a proper contract in accordance with the bid, plans, details, specifications, and bills of material. If for any reason, other than as authorized by section [9.31](#) of the Revised Code or division (G) of this section, the bidder fails to enter into the contract, and the contracting authority awards the contract to the next lowest bidder, the bidder is liable to the state, political subdivision, district, institution, or agency for the difference between the bidder's bid and that of the next lowest bidder, or for a penal sum not to exceed ten per cent of the amount of the bid, whichever is less. If the state, political subdivision, district, institution, or agency does not award the contract to the next lowest bidder but resubmits the project for bidding, the bidder failing to enter into the contract, except as provided in division (G) of this section, is liable to the state, political subdivision, district, institution, or agency for a penal sum not to exceed ten per cent of the amount of the bid or the costs in connection with the resubmission, of printing new contract documents, required advertising, and printing and mailing notices to prospective bidders, whichever is less.

If the bidder enters into the contract, the bidder, at the time the contract is entered to, shall file a bond for the amount of the contract to indemnify the state, political subdivision, district, institution, or agency against all damage suffered by failure to perform the contract according to its provisions and in accordance with the plans, details, specifications, and bills of material therefor and to pay all lawful claims of subcontractors, materialmen, and laborers for labor performed or material furnished in carrying forward, performing, or completing the contract; and agree and assent that this undertaking is for the benefit of any subcontractor, materialman, or laborer having a just claim, as well as for the state, political subdivision, district, institution, or agency.

(2) A construction manager who enters into a contract pursuant to sections [9.33](#) to [9.333](#) [9.33.3] of the Revised Code, if required by the public owner at the time the construction manager enters into the contract, shall file a letter of credit pursuant to Chapter [1305](#) of the Revised Code, bond, certified check, or cashier's check, for the value of the construction management contract to indemnify the state, political subdivision, district, institution, or agency against all damage suffered by the construction manager's failure to perform the contract according to its provisions, and shall agree and assent that this undertaking is for the benefit of the state, political subdivision, district, institution, or agency. A letter of credit provided by the construction manager is revocable only at the option of the beneficiary state, political subdivision, district, institution, or agency.

(D) Where the state, political subdivision, district, institution, or agency accepts a bid but the bidder fails or refuses to enter into a proper contract in accordance with the bid, plans, details, specifications, and bills of material within ten days after the awarding of the contract, the bidder and the surety on any bond, except as provided in division (G) of this

section, are liable for the amount of the difference between the bidder's bid and that of the next lowest bidder, but not in excess of the liability specified in division (B)(1) or (C) of this section. Where the state, political subdivision, district, institution, or agency then awards the bid to such next lowest bidder and such next lowest bidder also fails or refuses to enter into a proper contract in accordance with the bid, plans, details, specifications, and bills of material within ten days after the awarding of the contract, the liability of such next lowest bidder, except as provided in division (G) of this section, is the amount of the difference between the bids of such next lowest bidder and the third lowest bidder, but not in excess of the liability specified in division (B)(1) or (C) of this section. Liability on account of an award to any lowest bidder beyond the third lowest bidder shall be determined in like manner.

(E) Notwithstanding division (C) of this section, where the state, political subdivision, district, institution, or agency resubmits the project for bidding, each bidder whose bid was accepted but who failed or refused to enter into a proper contract, except as provided in division (G) of this section, is liable for an equal share of a penal sum in connection with the resubmission, of printing new contract documents, required advertising, and printing and mailing notices to prospective bidders, but no bidder's liability shall exceed the amount of the bidder's bid guaranty.

(F) All bid guaranties filed pursuant to this section shall be payable to the state, political subdivision, district, institution, or agency, be for the benefit of the state, political subdivision, district, institution, or agency or any person having a right of action thereon, and be deposited with, and held by, the board, officer, or agent contracting on behalf of the state, political subdivision, district, institution, or agency. All bonds filed pursuant to this section shall be issued by a surety company authorized to do business in this state as surety approved by the board, officer, or agent awarding the contract on behalf of the state, political subdivision, district, institution, or agency.

(G) A bidder for a contract with the state or any political subdivision, district, institution, or other agency thereof, excluding therefrom the Ohio department of transportation, for a public improvement costing less than one-half million dollars may withdraw the bid from consideration if the bidder's bid for some other contract with the state or any political subdivision, district, institution, or other agency thereof, excluding therefrom the department of transportation, for the public improvement costing less than one-half million dollars has already been accepted, if the bidder certifies in good faith that the total amount of all the bidder's current contracts is less than one-half million dollars, and if the surety certifies in good faith that the bidder is unable to perform the subsequent contract because to do so would exceed the bidder's bonding capacity. If a bid is withdrawn under authority of this division, the contracting authority may award the contract to the next lowest bidder or reject all bids and resubmit the project for bidding, and neither the bidder nor the surety on the bidder's bond are liable for the difference between the bidder's bid and that of the

next lowest bidder, for a penal sum, or for the costs of printing new contract documents, required advertising, and printing and mailing notices to prospective bidders.

(H) Bid guaranties filed pursuant to division (A) of this section shall be returned to all unsuccessful bidders immediately after the contract is executed. The bid guaranty filed pursuant to division (A)(2) of this section shall be returned to the successful bidder upon filing of the bond required in division (C) of this section.

(I) For the purposes of this section, "next lowest bidder" means, in the case of a political subdivision that has adopted the model Ohio and United States preference requirements promulgated pursuant to division (E) of section [125.11](#) of the Revised Code, the next lowest bidder that qualifies under those preference requirements.

(J) For the purposes of this section and sections 153.56, 153.57, and 153.571

[153.57.1] of the Revised Code, "public improvement," "subcontractor,"

"materialman," "laborer," and "materials" have the same meanings as in section

[1311.25](#) of the Revised Code Examination of Site

Each bidder shall, and is hereby directed to inspect the entire site of the proposed work and judge for himself/herself as to all the circumstances affecting the cost and progress of the work and shall assume all patent and latent risks in connection therewith.

Soil Conditions

Subject to the convenience of the Owners, prospective bidders will be permitted to explore the site by making borings or digging test pits. In such events, the work shall be done at the sole expense and risk of the bidder, and he/she shall maintain and restore the site to original conditions.

The Owner does not have to guarantee the accuracy of any information or samples which it may have obtained from test borings or otherwise as to the kind or condition of the soil that may be encountered in the prosecution of the proposed work, neither does the Owner represent that the plans and specifications drawn are based upon any data so obtained.

The Owner does not make any representation as to the soil which may be encountered or of soil or water which underlies the work or is adjacent thereto, including any difficulties that may be due to quicksand, or other unfavorable conditions that may be encountered in the work, whether apparent under surface inspection or disclosed in the process of carrying forward the work.

Working Facilities

The plans show, in the general manner, the existing structures and the land available for construction purposes. The bidders must satisfy themselves of the conditions and difficulties that may be encountered in the execution of the work at this site.

Addenda and Interpretations

No official interpretation of the meaning of the plans, specifications or other pre-bid documents will be made to any bidder orally.

Every request for such interpretation should be made in writing addressed to Kate Dunn, Senior Planner, Buckeye Hills Regional Council at kdunn@buckeyehills.org and to be given consideration, must be received at least five (5) days prior to the date fixed for the opening of bids. Any and all such interpretations and any supplemental instructions will be in the form of written addenda to the specifications which, if issued, will be mailed by certified mail with return receipt requested to all prospective bidders (at the respective addresses furnished for such purpose), not later than three (3) days prior to the date fixed for the opening of bids. Failure of any bidder to receive any such addendum or interpretation shall not relieve the bidder from any obligation under his/her bid as submitted. All addenda so issued shall become part of the contract documents.

Water Supply

All water for construction purposes, as well as the expense of having water conveyed about the work, must be provided by the Contractor and the cost of this work shall be included in the unit prices stipulated for the various items of the work to be done under this contract. The source, quality and quantity of water furnished shall at all times be satisfactory to the Engineer.

Signature of Bidders

The firm, corporate or individual name of the bidder must be signed in ink in the space provided for the signatures on the proposed blanks. In the case of a corporation, the title of the officer signing must be stated and such officer must thereunto duly authorized and the seal of said corporation duly affixed. In case of a partnership, the signature of at least one of the partners must follow the firm name, using the term "member of the firm". In the case of an individual, use the terms "doing business as", or "sole owner". The bidder shall further state in his/her proposal the name and address of each person or corporation interested therein.

Notice of Special Terms

Attention of the bidder is particularly called to those parts of the General Contract Terms and other contract documents and specifications, which deal with the following:

- A. Insurance requirements
- B. Federal Labor Standards Provisions, including Davis-Bacon wage rates
- C. Requirement for a performance bond for 100% of contract price
- D. Requirement that all subcontractors be approved by the Owner
- E. Safety standards

- F. Contractor's responsibility to obtain permits
- G. Affirmative action and Equal opportunity provisions
- H. Contractor's responsibility for compliance with accessibility requirements

Additional Obligations Upon Contract Award

Upon award of the contract but prior to execution of the final agreement and notice to proceed, the contractor shall submit all of the following documents, completed as required:

- A. Acceptance of Notice Award
- B. Contract
- C. Insurance certificate(s) and/or policy(ies)
- D. (If over \$10,000) Certification of Bidder regarding Equal Employment Opportunity
- E. (If over \$10,000) Certification(s) by (all) proposed Subcontractors regarding Equal Employment Opportunity
- F. (If over \$10,000) Certification by Contractor and Subcontractors of Compliance with Air and Water Acts
- G. Contractor's Certification concerning Labor Standards and Prevailing Wage Requirements
- H. (All) Subcontractor's certification(s) concerning Labor Standards and Prevailing Wage Requirements

Foreign Corporations and Contractors

Definition: "Foreign Corporation" means a corporation incorporated under the laws of another state. No contract shall be entered into with a foreign corporation until the Secretary of State has certified that such corporation is authorized to do business in Ohio; and until, if the bidder so awarded the Contract is a person or partnership, it has filed with the Secretary of State a Power of Attorney designating the Secretary of State as its agent for the purpose of accepting service summons in any actions brought under Section 153.05 of the Ohio Revised Code or under Sections 4123.01 to 4123.94, inclusive of the Revised Code.

Photographs of Project

The Contractor will furnish photographs of the project throughout the process of repaving the site. These photographs will be shared with the project funder as a part of the grant reporting process.

GENERAL CONTRACT TERMS

ARTICLE 1 - CONTRACT AND CONTRACT DOCUMENTS

- A. The project to be constructed pursuant to this contract will be financed with assistance from the Department of Housing and Urban Development and is subject to all applicable Federal laws and regulations.
- B. All applicable State laws, municipal ordinances, and the rules and regulations of all authorities having jurisdiction over construction of the project shall apply to the contract throughout, and they will be deemed to be included in the contract the same as though herein written out in full. The Contractor is responsible for knowledge of all applicable laws, ordinances, rules and regulations that relate to the Project.
- C. The Plans, Specifications and Addenda, hereinafter enumerated in Paragraph 1 of the Supplemental Instructions shall form part of this Contract and the provisions thereof shall be as binding upon the parties hereto as if they were herein fully set forth. The table of contents, titles, headings, running headlines and marginal notes contained herein and in said documents are solely to facilitate reference to various provisions of the Contract Documents and in no way affect, limit or cast light on the interpretation of the provisions to which they refer.
- D. The fact that certain statutory or regulatory provisions are mentioned or are fully set forth in this Contract does not limit the Contractor's obligation to comply with all applicable laws and regulations as described above which may not be mentioned or set forth in this Contract.
- E. All of documents described in Article 3 in the Contract on page 34 shall be part of the contract.

ARTICLE 2 - PERFORMANCE AND PAYMENT BONDS

As a condition of entering into the contract, the successful bidder shall furnish the bond provided by Revised Code section 153.57 with good and sufficient surety in the amount of the bid price and conditioned on the faithful performance of all things to be done under the contract.

ARTICLE 3 - WAGE RATES

In the event that the rate of wages paid for any trade or occupant in the locality where such work is being performed are under current collective agreements or understanding between bona fide organizations of labor and employer, then the wages to be paid shall be not less than such agreed wage rates, nor less than the minimum rates compiled by the Federal Labor Standard Provision. A copy of these prevailing rates of wages has been included in these specifications.

Every Contractor and Subcontractor who is subject to this contract shall, as soon as he/she begins performance under his/her contract with the Owner, supply the Owner a schedule of the dates on which he/she is required to pay wages to employees. He/She shall also deliver to the prevailing wage coordinator within three weeks after each pay date, a certified copy of his/her payroll which shall exhibit for each employee paid any wages, name, current address, social security number, number of hours worked each day of the pay period and the total for each week, hourly rate of pay, job classification, fringe payments, and deductions from wages. The certification of each payroll shall be executed by the Contractor, Subcontractor, or duly appointed agent thereof and shall recite that the payroll is correct and complete and that the wage rate shown is not less than those required by the contract. **Insofar as possible, local labor shall be employed on this work**

ARTICLE 4 - AFFIRMATIVE ACTION

Each bidder, Contractor or Subcontractor (hereinafter the Contractor) must fully comply with either Part I or Part II, as applicable of Executive Order 11246 as stated on page G-3 during the performance of this contract or subcontract. The Contractor commits itself to the goals for minority manpower utilization in either Part I or Part II, as applicable, and all other requirements, terms and conditions of this document by submitting a properly signed bid.

The Contractor shall appoint a company executive to assume the responsibility for the implementation of the requirements, terms and conditions of these bid conditions.

ARTICLE 5 - INSURANCE

- A. The Contractor shall not commence work under this Contract until he/she has obtained all of the insurance required hereunder and the Owner has approved such insurance, nor shall the Contractor allow any Subcontractor to commence work on his subcontract until all similar insurance required of the Subcontractor has been so obtained and approved. Approval of the insurance by the Owner shall not relieve or decrease the liability of the Contractor hereunder. Buckeye Hills Regional Council, the Noble County Commissioners, the business located on site, and the property owner, Ben Shafer shall be named as additional insured
- B. The Contractor shall file with the Owner all Certificates of Insurance as are necessary to document the insurance coverage required hereunder, subject to the approval of the Owner and receipt of any additional forms/documentation requested, prior to final execution of the Agreement Contract and issuance of the Notice to Proceed.
- C. **Worker's Compensation.** All contractors and subcontractors shall acquire and maintain, during the term of the Contract, Worker's Compensation insurance in full compliance with the laws of the State of Ohio.

D. Contractor's Liability Insurance

- a. The Contractor shall acquire and maintain during the term of the Contract Bodily Injury and Property Damage Liability Insurance under a standard Comprehensive General/Automobile Liability Policy which shall provide and include coverage on all Contractor's Operations, Contractor's Protective (Sublet) Liability, Contractual Liability, Completed Operations Liability, Owned Automobiles and Non-owned and Hired Automobiles.
- b. Property Damage Liability Insurance shall be provided on any demolition, blasting, excavating, shoring or similar operation on an "if any" basis.
- c. Bodily Injury Liability limits shall be for an amount of no less than Two Hundred and fifty Thousand (\$250,000) Dollars for injuries, including wrongful death to any one person and subject to the same limit for each person, in the amount of not less than Five Hundred Thousand (\$500,000) Dollars on the account of any one occurrence.
- d. Property Damage Liability Insurance shall be in an amount of not less than One Hundred Thousand (\$100,000) Dollars per occurrence. General Liability shall be extended to provide "Broad Form Property Damage Liability," and in an amount of not less than One Million (\$1,000,000) Dollars aggregate for damage on account of all occurrences.
- e. Any combination of underlying Comprehensive General/ Automobile Liability coverage with Umbrella/Excess Liability coverage which provides no less than One Million (\$1,000,000) Dollars Single Limit Bodily Injury & Property Damage Liability Insurance for the Contractor will also be acceptable.
- f. The owner may adjust the liability limits to coincide with local government procurement policies and practice within the limits of state and local law.

E. Builder's Risk Insurance. Each Contractor shall maintain insurance to protect himself and the owner, jointly, from loss incurred by fire, lightning, extended coverage hazards, vandalism, theft, explosion and malicious mischief in the full amount of the Contract and such insurance shall cover all labor and materials connected with the work, including materials delivered to the site but not yet installed.

F. Installation Floater Insurance. When a Contractor is involved solely in the installation of materials and not in the construction of a building, an Installation Floater is required in lieu of a Builder's Risk Policy with the same general terms applying as set forth in paragraph E.

G. The Policies as listed above shall all contain the following special provisions:

- a. "The Company agrees that thirty (30) days prior to cancellation or reduction of the insurance afforded by this policy with respect to the Contract involved, written notice will be mailed to the "Buckeye Hills Regional Council"

- b. The maintaining of such insurance as outlined herein shall in no way constitute a waiver of legal liability for damage to any adjoining buildings or their contents or the work and property of others on the site beyond the limits of insurance thus maintained. The Contractor shall hold the Owner free and harmless from any injury and damage resulting from the negligent or faulty performance of the Contract by the Contractor or by his/or her Subcontractors.
- c. Each Contractor shall hold the Owner harmless from all payments for patents, either as royalty or otherwise, in the use of materials, methods, appliances, etc., that he may be in any way involved in or connected with any part of his work or the work of his Subcontractors.
- d. Prior to commencement of any work under Contract, the Contractors shall furnish one (1) copy of Declaration of Insurance as evidence of coverage.
- e. The Buckeye Hills Regional Council, the Noble County Commissioners, the business located on site, and the property owner, Ben Shafer shall be named as additional insured. The Contractor shall either (1) require each of his subcontractors to procure and to maintain during the life of his subcontract, Subcontractor's Public Liability and Property Damage of the type and in the same amounts as specified in the preceding paragraph or (2) insure the activities of his subcontractors in his own policy.

ARTICLE 6 – SAFETY AND SITE PROTECTION, CLEAN-UP AND RESTORATION

- A. The Contractor will be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the Work. He/She will take all necessary precautions for the safety of, and will provide the necessary protection to prevent damage, injury, or loss to all employees on the work and other persons who may be affected thereby, all the work and all materials or equipment to be incorporated therein, whether in storage on or off the site, and other property at the site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, and utilities not designated for removal, relocation, or replacement in the course of construction. The Contractor shall, at his own expense, support and protect all buildings, bridges, conduits, wires, water pipes, gas pipes, sewers, pavements, curbing, sidewalks, equipment and fixtures of all kinds and all other public or private property, whether of this or another contract, that may be encountered or endangered in the course of work on the Project that are not otherwise provided for.
- B. The Contractor will erect and maintain, as required by the terms and progress of the Work, all necessary safeguards for safety protection. He/She will notify owners of adjacent utilities when prosecution of the work may affect them.

- C. The Contractor shall comply with the safety standards provisions of applicable laws, building and construction codes and the "Manual of Accident Prevention in Construction" published by the Associated General Contractors of America, the requirements of the Occupational Safety and Health Act of 1970 (Public Law 91-596), and the requirements of Title 29 of the Code of Federal Regulations, Section 1518 as published in the "Federal Register", Volume 36, No. 75, Saturday, April 17, 1971. The Contractor shall also comply with Chapter 4101:9-2 of the Ohio Revised Code prohibiting the Employment of Minors in Occupations Hazardous or Detrimental to their health.
- D. The Contractor shall maintain at his/her office or other well-known place at the job site, all articles necessary for giving first aid to the injured, and shall make standing arrangements for the immediate removal to a hospital or a doctor's care of persons (including employees) who may be injured at the job site. In no case shall employees be permitted to work at the job site before the employer has made a standing arrangement for removal of injured persons to a hospital or a doctor's care.
- E. Lights, signs and barricades shall be used to maintain traffic and safety for vehicular and pedestrian traffic during the course of this contract in accordance with the specifications.
- F. The Contractor is responsible for adhering to ORC 153.64 "Protection of underground utility facilities during construction of public improvement; registration of protection services"
- G. The Contractor shall repair and make good any damage caused to such property by reason of his operations, leaving all work in a condition at the completion of the contract which will be acceptable to the Owner. Upon completion of the work all surfaces disturbed during the work shall be restored in a satisfactory manner, and all tools, plant and equipment, and other property belonging to the Contractor, shall be removed and the site of the work left clear, and in the condition equal to that existing prior to the beginning of work under the Contract, except for the completed Project.

ARTICLE 7 - PERMITS

The Contractor is responsible for obtaining and paying for all other necessary permits and licenses from the proper authorities. The Contractor shall give all notices and comply with all laws, ordinances, rules, and regulations bearing on the conduct of the work as drawn and specified. If the Contractor observes that the Contract Documents are at variance therewith, he/she shall promptly notify the Owner in writing.

ARTICLE 8 - SUPERVISION

- A. The Contractor will supervise and direct the work. He will be solely responsible for the means, methods, techniques, sequences, and procedures of construction. The Contractor will employ and maintain on the work a qualified supervisor or superintendent who shall have been designated in writing by the Contractor as the Contractor's representative at the site. The Supervisor shall have full authority to act on behalf of the Contractor and communications given to the supervisor shall be as binding as if given to the Contractor. The supervisor shall be present and on the site at all times as required to perform adequate supervision and coordination of the work.
- B. The Owner and its representatives will at all times have access to the work. In addition, authorized representatives and agents of any participating federal or state agency shall be permitted to inspect all work, materials, payrolls, records of personnel, invoices of materials, and other relevant data and records. The Contractor will provide proper facilities for such access and observation of the work and also for any inspection or testing thereof.
- C. The Contractor shall submit a proposed program of operation, showing clearly how he/she proposed to conduct the work as to bring about the completion of his/her work within the time limit specified. This program shall outline the proposed sequence of operations, the rates of progress and the dates when his/her work will be sufficiently advanced to permit the installation of the work under other contracts, and the estimated progress payments due under the Contract. The work under this contract shall be so scheduled that as structures are completed, they can be placed into useful operation with a minimum of delay. The program shall be subject to the approval of the Owner.
- D. All construction as proposed along all City, Township, County, State and Federal roads including storage and stockpiling of materials, is to be conducted within the limits of the public right-of-way. Bracing, sheeting and shoring shall be used to keep all construction work within the construction limits unless work agreements are secured from the adjacent property Owners. It is the Contractor's responsibility to secure these work agreements, if deemed necessary. It is Contractor responsibility to maintain traffic safely. Copies of the work agreements shall be delivered to the Engineer and the Owner prior to any work beginning on the effected property.

ARTICLE 9 - CLAIMS AGAINST CONTRACTOR

The Contractor shall indemnify and save the Owner or the Owner's agents harmless from all claims growing out of the lawful demands of Subcontractor's laborers, workmen, mechanics, materialmen, and furnishers of machinery and parts thereof, equipment, tools, and all supplies, incurred in the furtherance of the performance of the work. The Contractor shall, at the Owner's request, furnish satisfactory evidence that all obligations of

the nature designated above have been paid, discharged, or waived. If the Contractor fails to do so the Owner may, after having notified the Contractor, either pay unpaid bills or withhold from the Contractor's unpaid compensation a sum of money deemed reasonably sufficient to pay any and all such lawful claims until satisfactory evidence is furnished that all liabilities have been fully discharged whereupon payment to the Contractor shall be resumed, in accordance with the terms of the Contract Documents, but in no event shall the provisions of this sentence be construed to impose any obligations upon the Owner to either the Contractors, his Surety, or any third party. In paying any unpaid bills of the Contractor, any payment so made by the Owner shall be considered as a payment made under the Contract Documents by the Owner to the Contractor and the Owner shall not be liable to the Contractor for any such payments in good faith.

ARTICLE 10 - SUBCONTRACTING

- A. Neither the Contractor nor the Owner shall sell, transfer, assign, or otherwise dispose of the Contract or any portion thereof, or of his right, title, or interest therein, or his obligations thereunder.
- B. The Contractor shall not sublet, sell, transfer or assign any portion of the contract without written consent of the Owner or his/her designated agent. When such consent is given, the Contractor will be permitted to sublet a portion thereof, but shall perform with his/her own organization, work amounting to no less than fifty percent of the total contract cost, except that any item designated in the contract before computing the amount of work required to be performed by the Contractor with his/her own organization. No subcontract, or transfer of contract, shall in any way release the Contractor of his/her liability under the contract and bonds.
- C. The Contractor shall not award work to Subcontractor(s) without prior written approval of the Owner, after verification by the Ohio Department of Development of the subcontractor's current eligibility status, and after submission of all certifications as required in Item 17-page B-5 of INSTRUCTIONS TO BIDDERS. The Contractor shall be fully responsible to the Owner for the acts and omissions of the Subcontractor(s), and of persons either directly or indirectly employed by them, as he is for the acts and omissions of persons directly employed by him.

ARTICLE 11 - CHANGE OF WORK

- A. The Owner reserves the right to make, at any time during the progress of the work, such increases or decreases in quantities and such alterations in details of work as may be deemed necessary or desirable. Such increases or decreases and alterations shall not invalidate the contract nor release the surety, and the Contractor agrees to perform the work as altered, the same as if it had been a part of the original contract.

- B. Authorized alterations in plans or quantities of work involving work not covered by unit prices in the proposal shall be paid for as stipulated in the change order authorizing such work.
- C. No changes in work covered by the approved Contract shall be made without having prior written approval of the Owner.

ARTICLE 12 - TIME

- A. The Date of beginning and the time for completion of the work are essential terms of the Contract Documents and the work embraced shall be commenced on a date specified in the Notice to Proceed.
- B. The Contractor will proceed with the work at such rate of progress to ensure full completion within the Contract Time. It is expressly understood and agreed, by and between the Contractor and the Owner, that the Contract Time for the completion of the work described herein is a reasonable time, taking into consideration the average climatic and economic conditions and other factors prevailing in the locality of the work.
- C. The Contract Time to fully complete the project shall be 90 consecutive calendar days following the date of commencement of work to be specified in a written "Notice to Proceed".
- D. If the Contractor shall fail to complete the work within the Contract Time, or extension of time granted by the Owner, the Contractor will pay to the Owner for liquidated damages \$100.00 for each calendar day that the Contractor shall be in default after the time stipulated in the Contract Documents.

ARTICLE 13 - COMPLETION OF WORK

- A. The Contractor shall guarantee all materials and equipment furnished and work performed for a period of one year from the date of Substantial Completion. The Contractor warrants and guarantees for a period of one year from the date of Substantial Completion of the improvement that it is free from all defects due to faulty materials or workmanship, and the Contractor shall promptly make corrections as may be necessary by reason of such defects. The Owner will give notice of observed defects with reasonable promptness. In the event that the Contractor should fail to make repairs, adjustments, or other work which may be made necessary by such defects, the Owner may do so and charge the Contractor the cost thereby incurred. The Contract Bond shall remain in full force and effect through the guarantee period.
- B. When the work, including that performed by Subcontractors, is completed, the site shall be cleaned of all rubbish and debris caused by the construction. All sheds or

other temporary structures, surplus materials, and equipment shall be removed and the project left in a neat and presentable condition.

ARTICLE 14 - TERMINATION

After ten (10) days from delivery of a Written Notice to the Contractor, the Owner may, without cause and without prejudice to any other right or remedy elect to terminate the Contract. In such case the Contractor shall be paid for all work executed and any expense sustained plus reasonable profit, unless such termination was due to the act or conduct of the Contractor.

ARTICLE 15 - PAYMENT

Where applicable, the unit or lump sum price stated in the contract shall be used in determining the amount to be paid and shall constitute full and final compensation for all the work.

Partial payment to the contractor for work performed under the lump sum price shall be based on a schedule prepared by the contractor and approved by the architect or engineer who shall apportion the lump sum price to the major components entering into or forming a part of the work under the lump sum price.

Partial payment to the contractor for labor performed under either a unit or lump sum price contract shall be made at the rate on ninety-two percent of the estimates prepared by the contractor and approved by the architect or engineer. All labor performed after the job is fifty percent completed shall be paid for at the rate of one hundred percent of the estimates submitted by the contractor and approved by the architect or engineer.

If the time for awarding the contract is extended by mutual consent, or if the owner or its representatives fails to issue a timely notice to proceed as required by R.C. 153.12, the owner or its representative could possibly issue a change order authorizing delay costs to the contractor, which does not invalidate the contract. The amount of the change order to the owner shall be determined in accordance with the provision of the contract for change orders or force accounts or, if no such provision is set forth in the contract, the cost to the owner shall be the contractor's actual costs including wages, labor costs other than wages, wage taxes, materials, equipment cost and rentals, insurance, and subcontracts attributable to the delay, plus a reasonable sum for overhead.

At the time named in the contract for payment to the person with whom it is made, the Architect and/or consultant shall assist the owner in approving a full, accurate, and detailed estimate of the various kinds labor performed and material furnished under the contract, with the amount due for each kind of labor and material and the materials and amount due in the aggregate, which estimate shall be based upon actual measurement of such labor and materials and shall give the amount of the preceding estimate shall be based upon actual measurements of such labor and materials, and shall give the amount of the

preceding estimate, and the amount of labor performed and material furnished since the last estimate.

From the date the contract is fifty percent complete, as evidenced by payments in the amount of at least fifty percent of the contract to the person with whom the owner has contracted, all funds retained for the faithful performance of work shall be deposited in an escrow account as designated in section 153.63 of the Revised Code. After the contract is fifty percent complete, no further funds shall be retained.

When the major portion of the project is substantially completed and occupied, or in use, or otherwise accepted, and there exists no other reason to withhold retainage, the retained percentages held in connection with such portion shall be released from escrow and paid the contractor, withholding only that amount necessary to assure completion. Funds in the escrow account nor heretofore paid, with accumulation interest, shall be paid to the person with whom the owner has contracted thirty days (30) from the date of the completion or either acceptance or occupancy by the owner. Such payments shall be in accordance with division (A)(2) of section 153.63 of the Revised Code.

In addition to all other payments on account of work performed, there shall be allowed by the owner and paid to contractor a sum at the rate of ninety-two percent of the invoice costs, not to exceed the bid price in a unit price contract, of material delivered on the site of the work, or a railroad station, siding, or other point in the vicinity of the work, or other approved storage site, provided such materials have been inspected and found to meet the specifications. The balance of such invoiced value shall be paid when such material is incorporated into and becomes a part of such building, construction, addition, improvement, alteration, or installation. When as estimate is allowed on account of material delivered on the site of the work or in the vicinity thereof or under the possession and control of the contractor but not yet incorporated therein, such materials shall become the property of the owner under the contract, but if such material is stolen, destroyed, or damaged by casualty before being used, the contractor shall be required to replace it at his own expense.

When the rate of work and amounts involved are so large that is considered advisable by the owner or contractor, estimates and payments shall be made twice each month.

Payments on approved estimates filed with the owner or its representative shall be made within thirty days. Upon the failure of the owner or its representative to make such payments within thirty days, or upon an unauthorized withholding of retainage, there shall be allowed to the contractor, in addition to any other remedies allowed by law, interest on such moneys not paid within thirty days. Interest on the unauthorized withholding of retainage shall be in addition to any interest earned in the escrow account set forth in section 153.13 of the Revised Code. The rate of such interest shall be the average of the prime rate established at the commercial banks in the city of over one hundred thousand population that is nearest the construction project.

ARTICLE 16- LIMITATION OF LIABILITY

Contractor and Noble County Commissioners, Ben Shafer agree to indemnify and hold harmless the Buckeye Hills Regional Council and their successors and assigns from any liabilities or claims for damages, including those from third parties, arising from or related to this Contract other than for payment for the Work under the terms of the Contract. Both agree that the Buckeye Hills Regional Council liability under this Contract is limited to the payment of the Council's share of the Contract price from the proceeds of the ODOD grant funds received by the Buckeye Hills Regional Council for the Project. Neither Noble County Commissioners or Ben Shafer nor the Contractor shall be entitled to any other remedy from the Buckeye Hills Regional Council for breach of any terms herein;

Bid for Lump Sum Contracts

Place: _____

Date: _____

Proposal of _____ (hereinafter called "Bidder")*a corporation, organized and existing under the laws of the State of _____**, a partnership, or an individual doing business as _____ To the Buckeye Hills Regional Council (hereinafter called "Owner"

The Bidder, in compliance with your invitation for bids for the re-paving of the Claire's Corner Fuel Mart project. Having examined all available plans and specifications with related documents of the site of the proposed work, and being familiar with all the terms surrounding the construction of the proposed project including the availability of materials and labor, hereby proposes to furnish all labor, materials, and supplies, and to construct the project in accordance with the contract documents, within the time set forth therein, and at the prices stated below. These prices are to cover all expenses incurred in performing the work required under the contract documents, of which this proposal is a part.

Bidder hereby agrees to commence work under this contract on or before a date to be specified in the written "Notice to Proceed" of the Owner and to fully complete the project within 90 consecutive calendar days thereafter as stipulated in the specifications. Bidder further agrees to pay as liquidated damages, the sum of \$100.00 for each consecutive calendar day thereafter as hereinafter provided in the General Terms.

Bidder acknowledges the receipt of the following addendum(s):

*Insert corporation, partnerships, or individual as applicable.

**Insert name of state

BASE PROPOSAL: Bidder agrees to perform all the work described in the specifications and shown on the plans for the sum of

(\$ _____). (Amount shall be shown in both words and figures. In case of discrepancy, the amount shown in words will govern.)

ALTERNATE PROPOSALS:

Alternate No. 1:

Deduct the sum of: _____ (\$ _____)

Alternate No. 2:

Deduct the sum of: _____ (\$ _____)

Alternate No. 3:

Deduct the sum of: _____ (\$ _____)

Alternate No. 4:

Deduct the sum of: _____ (\$ _____)

UNIT PRICES:

For changing quantities of work items from those indicated by the contract drawings upon written instructions from the architect/engineer, the following unit prices shall prevail:

1. _____ \$ _____
2. _____ \$ _____
3. _____ \$ _____

The above unit prices shall include all labor, materials, bailing, shoring, removal, overhead, profit, insurance, etc., to cover the finished work of the several kinds called for.

Bidder understands that the Owner reserves the right to reject any or all bids and to waive any informalities in the bidding.

The Bidder agrees that this bid shall be good and may not be withdrawn for a period of 30 calendar days after the scheduled closing time for receiving bids.

Upon receipt of written notice of the acceptance of this bid, Bidder will execute the formal contract attached within 10 days and deliver a Surety Bond or Bonds as required by the General Terms.

The bid security attached in the sum of

_____ (\$ _____)

is to become the property of the Owner in the event the contract and bond are not executed within the time above set forth, as liquidated damages for the delay and additional expense to the Owner caused thereby.

BID GUARANTY AND PERFORMANCE BOND

KNOW ALL MEN BY THESE PRESENT, that we, the undersigned,

_____ As Principal, are hereby held and firmly bound unto the **Buckeye Hills Regional Council** hereafter called the Obligee, in the penal sum of the dollar amount of the bid submitted by the Principal to the Obligee on _____ to undertake the project known as:

Claire's Corner Fuel Mart Re-Paving Project

The penal sum referred to herein shall be the dollar amount of the principal's bid to the Obligee, incorporating any additive or deductive alternate proposals made by the principal on the date referred to above to the Obligee, which are accepted by the Obligee. In no case shall the penal sum exceed the amount of _____. If this item is left blank, the penal sum will be the full amount of the principal's bid, including alternates. Alternatively, if completed, the amount stated must not be less than the full amount of the bid, including alternatives in dollars and cents. A percentage is not acceptable.

For the payment of the penal sum will and truly to be made, we hereby jointly and severally bind ourselves, our heirs, executors, administrators, successors, and assigns.

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH, that whereas the above-named Principal has submitted a bid on the above referred to project;

NOW, THEREFORE, if the Obligee accepts the bid of the Principal and the Principal fails to enter into a proper contract in accordance with the bid, plans, details, specifications, and bills of material; and in the event the Principal pays to the Obligee the difference not to exceed ten percent of the penalty hereto between the amount specified in the bid and such larger amount for which the Obligee may in good faith contract with the next lower bidder to perform the work covered by the bid; or in the event the Obligee does not award the contract to the next lower bidder and resubmits the project for bidding, the Principal will pay the Obligee the difference, not to exceed five percent of the penalty hereof between the amount specified in the bid, or the costs, in connection with the resubmission, of printing new contract documents, required advertising and printing and mailing notices to prospective bidders, whichever is less, then this obligation shall be null and void, otherwise to remain in full force and effect. If the Obligee accepts the bid of the Principal and the Principal within ten days after the awarding of the contract, enters into a proper contract in accordance with the bid, plans, details, specifications, and bills of material, which said contract is made a part of this bond the same as though set forth herein; and

IF THE SAID Principal shall well and faithfully perform each and every condition of such contract; and indemnify the Obligee against all damage suffered by failure to perform such contract according to the provisions thereof and in accordance with the plans, details, specifications, and bills of material therefore; and shall pay all lawful claims of

subcontractors, materialmen, and laborers, for labor performed and materials furnished in the carrying forward, performing, or completing of said contract: we agreeing and assenting that this undertaking shall be for benefit of any materialman or laborer having a just claim, as well as for the Obligee herein; then this obligation shall be void; otherwise the same shall remain in full force and effect; it being expressly understood and agreed that the liability of the Surety for any and all claims hereunder shall in no event exceed the penal amount of this obligation as herein stated.

THE SAID Surety hereby stipulates and agrees that no modifications, omissions, or additions, in or to the terms of said contract or in or to the plans and specifications therefore shall in any way affect the obligations of said Surety on this bond, and it does hereby waive notice of any such modifications, omissions or additions to the terms of the contract or to the work or to the specifications.

BONDING AND INSURANCE REQUIREMENTS

A state or local unit of government receiving a grant from the Federal government which requires contracting for construction of facility improvement shall follow its own requirements relating to bid guarantees, performance bonds, and payment bonds, except for contracts or subcontracts exceeding \$100,000. For contracts or subcontracts exceeding \$100,000, the Federal agency may accept the bonding policy and requirements of the grantee provided the Federal agency has made a determination that the Government's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

- A. **A Bid Guarantee Bond in an amount equal to one hundred percent (100%) of the bid price or a Certified Check, Cashier's Check or Letter of Credit in an amount not less than ten percent (10%) of the bid price.** The bid guaranty is a negotiable instrument accompany a bid as assurance that the accepted bidder will enter into a proper contract in accordance with the bid, plans, details, specifications, and bills of materials.
- B. **A Performance Bond on the part of the contractor for one hundred percent (100%) percent of the contract price.** A "Performance Bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.
- C. **A Payment Bond on the part of the contractor for one hundred percent (100%) percent of the contract price.** A "Payment Bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

Contract

THIS AGREEMENT made this _____ day of _____, _____, by and between _____¹ hereinafter called the *Contractor*, and Buckeye Hills Regional Council hereinafter called the *Owner*.

WITNESSETH, that the Contractor and the Owner for the considerations stated herein mutually agree as follows:

Article 1. Statement of Work

The Contractor shall furnish all supervision, technical personnel, labor, materials, machinery, tools, equipment and services, including utility and transportation services, and perform and complete all work required for the construction of the Improvements included in the project; namely, _____², and required supplemental work for the _____ all in strict accordance with the Contract Documents including all addenda thereto. This contract and this project are for the benefit of the project site.

Article 2. The Contract Price

The Owner will pay the Contractor for the total quantities of work performed at the unit prices stipulated in the Bid for the respective items of work completed for the sum not to exceed _____ (dollars) subject to additions and deductions as provided in Section 109 hereof.

Article 3. Contract

The contract shall consist of the following:

- A. This Contract
- B. Addenda as applicable
- C. Notice to Contractors
- D. Instruction to Bidders
- E. Signed Copy of Bid
- F. General Contract Terms
- G. Technical Specifications
- H. Drawings
- I. All of documents listed in Article 1 of the General Contract Terms are deemed included in the Contract.

¹ Choose term most applicable: a corporation organized under the laws of the State of Ohio; a partnership; an individual

² Supply principal items of Contract such as Grading, Paving, Water Mains, Sewers, etc.

This Agreement, together with other documents enumerated in this ARTICLE 3, which said other documents are as fully a part of the Contract as if hereto attached or herein repeated, forms the Contract between the parties hereto. In the event that any other provision in any component part of this Contract conflicts with any provision of any other component part, the provision of the component part first enumerated in this ARTICLE 3 shall govern, except as otherwise specifically stated.

The Noble County Commissioners and Property Owner and Property Lessee acknowledges that it agrees to indemnify and hold harmless the Buckeye Hills Regional Council and their successors and assigns from any liabilities or claims for damages, including those from third parties, arising from or related to this Contract.

IN WITNESS WHEREOF, the parties hereto have caused this AGREEMENT to be executed in 1 original copies on the day and year first above written.

CONFLICT OF INTEREST

Interest of Local Public Officials

No member of the governing body of the locality and no other officer, employee, agent or public official of such locality, who exercises any functions or responsibilities in connection with the planning and carrying out of the program, shall have any personal financial interest, direct or indirect, in this contract; and the Contractor shall take appropriate step to assure compliance.

Interest of Contractor and Employees

The Contractor covenants that he presently has no interest and shall not acquire interest, direct or indirect, in the study area or any parcels therein or any other interest which would conflict in any manner or degree with the performance of his services hereunder. The Contractor further covenants that in the performance of this Contract no person having any such interest shall be employed.

Records and Audits

The Contractor shall maintain accounts and records, including personnel, property and financial records, adequate to identify and account for all costs pertaining to the Contract and such other records as may be deemed necessary by the City/County to assure proper accounting for all project funds. These records will be made available for audit purposes to the City/County or any authorized representative, and will be retained for three years after the expiration of the Contract unless permission to destroy them is granted by the City/County.

Federal or State Officials Not to Benefit

No members of or delegate to the Congress of the United States of America, and no resident U.S. Commissioner, nor any officer or employee of the State of Ohio subject to Ohio Ethics Law (ORC. Sec. 102.03(A)) will be admitted to any share or part hereof or to any benefit to arise here from.

SPECIAL TERMS PERTAINING TO HAZARDS, SAFETY STANDARDS AND ACCIDENT PREVENTION

A. Lead-Based Paint Hazards

(Applicable to contracts for construction or rehabilitation of residential structures.)

The construction or rehabilitation of residential structures is subject to the HUD Lead-Based Paint regulations, 24 CFR Part 35. The Contractor and Subcontractors shall comply with the provisions for the elimination of lead-base paint hazards under sub-part B of said regulations. The Owner will be responsible for the inspections and certifications required under Section 35.14(f) thereof.

B. Use of Explosives

When the use of explosives is necessary for the prosecution of the work, the Contractor shall observe all local, state and Federal laws in purchasing and handling explosives. The Contractor shall take all necessary precaution to protect completed work, neighboring property, water lines, or other underground structures. Where there is danger to structures or property from blasting, the charges shall be reduced and material shall be covered with suitable timer, steel or rope mats.

The contractor shall notify all owners of public utility property of intention to use explosives at least eight hours before blasting is done, close to such property. Any supervision or direction of use of explosives by the Engineer, does not in any way reduce the responsibility of the Contractor or his Surety for damages that may be caused by such use.

C. Danger Signals and Safety Devices

The Contractor shall make all necessary precautions to guard against damages to property and injury to persons. He shall put up and maintain in good condition, sufficient red or warning lights at night, suitable barricades and other devices necessary to protect the public. In case the Contractor fails or neglects to take such precautions, the Owner may have such lights and barricades installed and charge the cost of this work to the Contractor. Such action by the Owner does not relieve the Contractor of any liability incurred under these specifications or contract.

SPECIAL EQUAL OPPORTUNITY PROVISIONS

A. Activities and Contracts Not Subject to Executive Order 11246, as Amended (Applicable to Federally assisted construction contracts and related subcontracts \$10,000 and under)

During the performance of this contract, the contractor agrees as follows:

1. The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor shall take affirmative action to ensure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selected for training, including apprenticeship.

2. **The Contractor shall post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Owner setting forth the provisions of this non-discrimination clause.** The Contractor shall state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.

3. Contractors shall incorporate foregoing requirements in all subcontracts.

B. Executive Order 11246 (Contracts/subcontracts above \$10,000)

1. Section 202 Equal Opportunity Clause

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment, or recruitment advertising; layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship. **The contractor agrees to post in conspicuous places,**

available to employees and applicants for employment, notices to be provided by the Owner setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration without regard to race, color, religion, sex, or national origin.

(3) The contractor will send to each labor union or representative of workers which he has a collective bargaining agreement or other contractor or understanding, a notice to be provided by the Owner advising the said labor union or workers' representatives of the contractor's commitment under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(5) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his/her books, records, and accounts by the Ohio Department of Development's Office of Housing and Community Partnerships (OHCP), the U.S. Department of Housing and Urban Development and/or the U.S. Department of Labor and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and others.

(6) In the event of the contractor's non-compliance with the non-discrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, or by rules, regulations or orders of the Secretary of Labor, or as otherwise provided by law.

(7) The contractor will include the provisions of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the

Department may direct as a means of enforcing such provisions, including sanctions for non-compliance. Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Department, the contractor may request the United States to enter into such litigation to protect the interest of the United States.

2. Notice of Requirement for Affirmative Action to Ensure Equal Employment Opportunity (Executive Order 11246)

(Applicable to contracts/subcontracts exceeding \$10,000)

(1) The Offerer's or Bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth herein.

(2) The goals and timetables for minority and female participation, expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows:

Goals for Minority Participation	Goals for Female Participation
	<u>6.9%</u>

These goals are applicable to all the Contractor's construction work (whether or not it is Federal or federally assisted) performed in the covered areas. The Contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3(a), and its efforts to meet the goals established from this solicitation is to be performed. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the contractor shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

(3) **The Contractor shall provide written notification to the Manger of the Office of Housing and Community Partnerships, Ohio Department of Development, 77 S. High Street, P.O. Box 1001, Columbus, OH 43215 within 10 working days** of award of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address and telephone number of the subcontractor; employer identification number; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the contract is to be performed.

(4) As used in this Notice, and in the contract resulting from this solicitation, the "covered area" is (insert description of the geographical areas where the contract is to be performed giving the state, county, and city, if any):

3. Standard Federal Equal Employment Opportunity Construction Contract Specifications (Executive Order 11246)

(1) As used in these specifications:

a. "Covered" area means the geographical area described in the solicitation from which this contract resulted;

b. "Director" means Director, Office of Federal Contract Compliance Programs, United State Department of Labor, or any person to whom the Director delegates authority;

c. "Employer Identification Number" means the Federal Social Security Number used on the Employers Quarterly Federal Tax Return, U.S. Treasury Department Form 941;

d. "Minority" includes:

(i) *Black*: all persons having origins in any of the Black African racial groups no of Hispanic origin;

(ii) *Hispanic*: all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish Culture or origin, regardless of race;

(iii) *Asian and Pacific Islander*: all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands; and

(iv) *American Indian or Alaskan Native*: all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification.

(2) Whenever the Contractor, or any Subcontractor at any tier, subcontracts a portion of the work involving any construction trade, it shall physically include in each subcontract in excess of \$10,000 the provisions of these specifications and the Notice which contains the applicable goals for minority and female participation and which is set forth in the solicitations from which this contract resulted.

(3) If the Contractor is participating (pursuant to 41 CFR 60-4.5) in a Hometown Plan approved by the U.S. Department of Labor in the covered area either individually or through an association, its affirmative action obligations on all work in the Plan area (including goals and timetables) shall be in accordance with that Plan for those trades which have unions participating in the Plan. Contractors must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each Contractor or Subcontractor participating in an approved Plan is individually required to comply with its obligations under the EEO clause, and to make a good faith effort to achieve each goal under the Plan in each trade in which it has employees. The overall good faith performance by other Contractors or Subcontractors toward a goal in an approved Plan does not excuse any covered Contractor's or Subcontractor's failure to take good faith efforts to achieve the Plan goals and timetables.

(4) The Contractor shall implement the specific affirmative action standards provided in paragraphs 7a through 7p of these specifications. The goals set forth in the solicitation from which this contract resulted are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the covered area. The uniform progress toward its goals in each craft during the period specified.

(5) Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations under these specifications, Executive Order 11246, or the regulations promulgated pursuant thereto.

(6) In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

(7) The Contractor shall take specific affirmative actions to ensure equal employment opportunity. The evaluation of the Contractor's compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative actions steps at least as extensive as the following:

a. Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each construction project. The Contract shall specifically ensure that all foremen, superintendents, and other on-site supervisory personnel are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.

b. Establish and maintain a current list of minority and female recruitment sources, provided written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

c. Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by the union, or if referred, not employed by the Contractor, this shall be documented in the file with the reason therefore, along with whatever additional actions the Contractor may have taken.

d. Provide immediate written notification to the Director when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when

the contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.

e. Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relative to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under 7b above.

f. Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations: by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.

g. Review, at least annually, the company's EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with onsite supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

h. Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.

i. Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations serving the Contractor's recruitment area and employment needs. No later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any

recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

j. Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the site and in other areas of a Contractor's work force.

k. Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR Part 60-3.

l. Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc. such opportunities.

m. Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations under these specifications are being carried out.

n. Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between sexes.

o. Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

p. Conduct a review, at least annually, of all supervisors' adherence to and performance under the Contractor's EEO policies and affirmative action obligations.

q. Covered construction contractors performing contracts in geographical areas where they do not have a federal or federally assisted construction contract shall apply the minority and female goals established for the geographical area where the contract is being performed. Goals are published periodically in the Federal

Register in notice form and such notices may be obtained from any Office of Federal Contract Compliance Programs office or from Federal procurement contracting offices.

(8) Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (7a through 7q). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under 7a through 7q of these Specifications provided that the contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation, makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation shall not be a defense for the Contractor's non-compliance.

(9) A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and nonminority. Consequently, the Contractor may be in violation of the Executive Order if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation of the Executive Order if a specific minority group of women is underutilized).

(10) The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.

(11) **The Contractor shall not enter into any Subcontract with any person or firm debarred from Government contractors pursuant to Executive Order 11246.**

(12) The Contractor shall carry out such sanctions and penalties for violation of these specifications and of the Equal Opportunity Clause, including suspension, termination and cancellation of existing subcontracts as may be imposed or ordered pursuant to Executive Order 11246, as amended, and its implementing regulations, by the Office of Federal Contract Compliance Programs. Any Contractor who fails to carry out such

sanctions and penalties shall be in violation of these specifications and Executive Order 11246, as amended.

(13) The Contractor, in fulfilling its obligations under these specifications, shall implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph 7 of these specifications, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of the Executive Order, the implementing regulations, or these specifications, the Director shall proceed in accordance with 41 CFR 60-4.8.

- (14) **The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required by OHCP and to keep records.** Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employment identification number when assigned, social security number, race, sex, status (e.g., mechanic, apprentice trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and locations at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

C. Certification of Nonsegregated Facilities (Over \$10,000)

By the submission of this bid, the bidder, offerer, applicant or subcontractor certifies that he/she does not maintain or provide for his/her employees any segregated facility at any of his/her establishments, and that he/she does not permit employees to perform their services at any location, under his/her control, where segregated facilities are maintained. He/She certifies further that he/she will not maintain or provide for employees any segregated facilities at any of his/her establishments, and he/she will not permit employees to perform their services at any location under his/her control where segregated facilities are maintained. The bidder, offerer, applicant or subcontractor agrees that a breach of this certification is a violation of the Equal Opportunity Clause of this contract. As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms, and other storage or dressing areas, **transportation and housing

facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, or national origin, because of habit, local custom, or otherwise. He/She further agrees that (except where he/she has obtained identical certifications from proposed subcontractors for specific time periods) he/she will obtain identical certification from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity Clause; that he/she will retain such certifications in his/her files; and that he/she will forward the following notice to such proposed subcontractors (except where proposed subcontractors have submitted identical certifications for specific time periods).

D. Civil Rights Act of 1964

Under Title VI of the Civil Rights Act of 1964, no person shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

E. Section 109 of the Housing and Community Development Act of 1974

(a) No person in the United States shall on the grounds of race, color, or national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available under this title.

** Parking lots, drinking fountains, recreation or entertainment areas.

F. "Section 3" Compliance in the Provision of Training, Employment and Business Opportunities

a. The work to be performed under this contract is on a project assisted under a program providing direct Federal financial assistance from the Department of Housing and Urban Development and is subject to the requirements of Section 3 of the Housing and Urban Development act of 1968, as amended, 12 U.S.C. 1701u. **[Section 3 requires that to the greatest extent feasible opportunities for training and employment to be given lower income residents of the project area and contracts for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part by persons residing in the area of the project.]**

b. The parties to this contract will comply with the provisions of said Section 3 and the regulations issued pursuant thereto by the Secretary of Housing and Urban Development set forth in 24 CFR 135, and all applicable rules and orders of the Department issued thereunder prior to the execution of this contract. The parties to this contract certify and agree that they are under no contractual or other disability which would prevent them from complying with these requirements.

c. The contractor will send to each labor organization or representative of workers with which he has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organization or workers' representative of his commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

d. The contractor will include this Section 3 clause in every subcontract for work in connection with the project and will, at the direction of the applicant for recipient of Federal financial assistance, take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by the Secretary of Housing and Urban Development, 24 CFR Part 135. The contractor will not subcontract with any subcontractor where it has notice or knowledge that the latter has been found in violation of regulations under 24 CFR Part 135 and will not let any subcontract unless the subcontractor has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

e. Compliance with the provisions of Section 3, the regulations set forth in 24 CFR Part 135, and all applicable rules and orders of the Department, issued hereunder prior to the execution of the contract, shall be a condition of the federal financial assistance provided to the project, binding upon the applicant or recipient for such assistance, its successors and assigns. Failure to fulfill these requirements shall subject the applicant or recipient, its contractors and subcontractors, its successors and assigns to those sanctions specified by the grant or loan agreement or contract through which federal assistance is provided, and to such sanctions as are specified by 24 CFR Part 135.

CERTIFICATION OF BIDDER REGARDING EQUAL EMPLOYMENT OPPORTUNITY

NAME OF PRIME CONTRACTOR:

PROJECT NUMBER:

INSTRUCTIONS

This certification is required pursuant to Executive Order 11246 (30 F.R. 12319-25). The implementing rules and regulations provide that any bidder or prospective contractor, or any of their proposed subcontractors, shall state as an initial part of the bid or negotiations of the contract whether it has participated in any previous contract or subcontract subject to the equal opportunity clause; and, if so, whether it has filed all compliance reports due under applicable instructions.

Where the certification indicates that the bidder has not filed a compliance report due under applicable instructions, such bidder shall be required to submit a compliance report within seven calendar days after bid opening. No contract shall be awarded unless such report is submitted.

CONTRACTOR'S CERTIFICATION

NAME AND ADDRESS OF BIDDER (Include ZIP Code)

1. Bidder has participated in a previous contract or subcontract subject to the Equal Opportunity Clause.

☐ Yes ☐ No

2. Compliance reports were required to be filed in connection with such contract or subcontract.

☐ Yes ☐ No

3. Bidder has filed all compliance reports due under applicable instruction, including SF-100.

☐ Yes ☐ No

4. Have you ever been or are you being considered for sanction due to violation of Executive Order 11246, as amended?

☐ Yes ☐ No

CERTIFICATION OF COMPLIANCE WITH AIR AND WATER ACTS

(Applicable to Federally assisted construction contracts and related subcontracts exceeding \$100,000).

Compliance with Air and Water Acts

During the performance of this contract, the contractor and all subcontractors shall comply with the requirements of the Clean Air Act, as amended, 42 USC 1857 et seq., the Federal Water Pollution Control Act, as amended, 33 USC 1251 et seq., and the regulations of the Environmental Protection Agency with respect thereto, at 40 CFR Part 15, as amended.

In addition to the foregoing requirements, all nonexempt contractors and subcontractors shall furnish to the owner, the following:

- (1) A stipulation by the Contractor or subcontractors, that any facility to be utilized in the performance of any nonexempt contract or subcontract, is not listed on the List of Violating Facilities issued by the Environmental Protection Agency (EPA) pursuant to 40 CFR 15.20.
- (2) Agreement by the contractor to comply with all the requirements of Section 114 of the Clean Air Act, as amended, (42 USC 1857c-8) and Section 308 of the Federal Water Pollution Control Act, as amended, (33 USC 1318) relating to inspection, monitoring, entry, reports and information, as well as all other requirements specified in said Section 114 and Section 308, and all regulations and guidelines issued thereunder.
- (3) A stipulation that as a condition for the award of the contract, prompt notice will be given of any notification received from the Director, Office of Federal Activities, EPA, indicating that a facility utilized, or to be utilized for the contract, is under consideration to be listed on the EPA List of Violating Facilities.
- (4) Agreement by the Contractor that he will include, or cause to be included, the criteria and requirements in paragraph (1) through (4) of this section in every nonexempt subcontract and requiring that the Contractor will take such action as the Government may direct as a means of enforcing such provisions.

**A REPRINT OF THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT'S
FEDERAL LABOR STANDARDS PROVISIONS, HUD-4010 DATED 2/84 (REVISED)**

Applicability

The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

A1. (i) **Minimum Wages.** All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at the time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or cost reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rates and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR Part 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, that the employer's payroll records accurately set forth the time spent in each additional classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR Part 5.5(a)(1)(ii) and the **Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its**

subcontractors at the site of the work in a prominent and accessible place where it can easily be seen by the workers.

(ii) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

- (1) The work to be performed by the classification requested is not performed \ by a classification in the wage determination;
- (2) The classification is utilized in the area by the construction industry; and
- (3) The proposed wage rate, including any bona fide fringe benefits, bear a reasonable relationship to the wage rates contained in the wager determination.

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or the representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, employment Standards Administration, U.S. Department of Labor, Washington D.C.20210. The administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or designee within the 30-day period that additional time is necessary (approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer questions, including the views of all

interested parties and the recommendation of HUD or its designee, to the Administrator for determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary (approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(b) or (c) of this paragraph shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, **the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.**

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, provided, that the Secretary of Labor has found, upon written request of the contractor, that the applicable standards of the Davis-Bacon have been met. The Secretary of Labor may require the contractor to set aside in a separate account for assets for the meeting of obligations under the plan or program (approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. Withholding. HUD or its designee shall, upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of work (or under the United States

Housing act of 1937 or under the Housing act of 1949 in the construction or development of the project), written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of fund until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for an on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon contracts.

3. (i) **Payrolls and basic records.** Payrolls and basic records relating thereto shall be

maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the names, addresses and social security number of each worker, his or her correct classification, hourly rates of wage paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types, described in Section 1(b)(92)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any cost reasonably anticipated in providing benefits under a plan or program described in Section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contracts employing benefits or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs (approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017).

(ii) (a) **The contractor shall submit weekly for each week in which any contract work is performed, a copy of all payrolls** to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant, sponsor or owner, as the case may be, for the transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 298 CFR Part 5.5(a)(4)(i). This information

may be submitted in any form desired. **Optional Form WH-347 is available for this purpose and may be purchased from the Superintendent of Documents (Federal Stock Number 029-005-00014-1), U.S. Government Printing Office, Washington D.C. 20402. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors** (approved by the Office of Management and Budget under OMB Control Number 1215-0149).

(b) **Each payroll shall be accompanied by a “Statement of Compliance,”** signed

by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

- (1) That the payroll for the payroll period contains the information required to be maintained under 29 CFR Part 5.5(a)(3)(I) and that such information is correct and complete;
 - (2) That each laborer or mechanic (including each helper, apprentice and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;
 - (2) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.
 - (c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the “Statement of Compliance” required by paragraph A.3(ii)(b) of this section.
 - (d) **The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.**
- (iii) The contractor or subcontractor shall make the records required under paragraph A.3(i)

of this section available for inspection, copying, or transcription by authorized representatives of HUD or its designees or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be ground for debarment action pursuant to 29 CFR Part 5.12.

4. (i) **Apprentices and Trainees.** Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training, or with a State Apprenticeship Agency recognized by the Bureau, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Bureau of Apprenticeship and Training or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid

in accordance with that determination. In the event the Bureau of Apprenticeship and Training, or a State Apprenticeship Agency recognized by the Bureau, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) **Trainees.** Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidence by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid at the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determine that there is an apprenticeship program associated with the corresponding journeymen wage rate on the wage determination associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. **Any employee listed on the payroll of a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed.** In addition, any trainee performing work on the job site in excess of the ration permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) **Equal employment opportunity.** The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment requirement of executive order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copeland Act requirements. The contractor shall comply with the

requirements of 29 CFR Part 3 which are incorporated by reference in this contract.

6. Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through 910) and such other clauses as HUD or its designee may be appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. **The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all contractor clauses in 29 CFR part 5.5.**

7. Contractor termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR 5, 6 and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (i) Certification of Eligibility. By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for

award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C.

1001. Additionally, U.S. Criminal Code, Section 1010, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part "Whoever, for the purpose of ...influencing in any way the action of such Administration...makes utters or publishes any statement, knowing the same to be false...shall be fined not more than \$5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings or Testimony by Employees. No laborer or mechanic to whom the wages, salary, or other labor standards provisions of this Contract are applicable, shall be discharged or in any other manner discriminated against by the Contractor or any Subcontractor because such employee has filed any complaint or instituted or causes to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards Act. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of fourth hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of fourth hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefore shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with

respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages by the clause set forth in subparagraph (1) of this paragraph.

(3) **Withholding for unpaid wages and liquidated damages.** HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contract, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) **Subcontracts.** The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime subcontractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

C. Health and Safety

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 (formerly Part 1518) and failure to comply may result in imposition of sanctions pursuant to the Contract Work hours and Safety Standards Act (Public Law 91-54, 83 Stat 96).

(3) The Contractor shall include the provisions of this Article in every subcontract so that such provisions will be binding on each subcontractor. The Contractor shall take such action with respect to any subcontract as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.

CERTIFICATE OF COMPLIANCE WITH FEDERAL LABOR STANDARDS PROVISIONS

I, the undersigned _____, the duly authorized representative of _____ (hereinafter referred to as the contractor), do hereby certify that I have examined the Federal Labor Standards Provisions (HUD-4010) with related certificates and documents, and all of the terms surrounding these provisions including, but not limited to the following:

1. The contractor is responsible for employing only eligible subcontractors who have
certified eligibility in written contract containing Federal Labor Standards Provisions.

2. The contractor is responsible for the payment of federal prevailing wage rates by
its subcontractors while performing work under this contract. If the subcontractor fails to pay the prevailing wages as specified in this contract, the prime contractor may be required to make appropriate restitution to the underpaid workers.

3. The contractor is responsible for collecting weekly certified payrolls from its subcontractors, reviewing said payrolls for compliance with the federal wage rates, and forward same to the local government contract authority.

4. The contractor also understands that only those classifications listed in the original
bid documents are applicable to this job, and no special classifications may be incorporated after the contract award.

The prime contractor hereby agrees to perform all of its responsibilities in conformance with the Federal Labor Standards Provisions both diligently and effectively.

RE: Concrete Pavement Recommendations
Noble County – Claire's Corner
321 West Street
Caldwell, Ohio 43724
SME Project Number: 099459.00

Dear Ms. Dunn:

This letter provides recommended standard-duty concrete pavement design and construction criteria for resurfacing the backfilled remediation excavation area at Claire's Corner in Caldwell, Ohio. The following is a summary of the key points included in this letter:

SUMMARY ITEM	RECOMMENDATION / REQUIREMENT
Project Context	Concrete resurfacing is planned within the area of a recent remediation excavation that was backfilled with limestone "screenings".
Design Use	Standard-duty vehicle parking lot use with minimal heavy vehicle traffic.
Recommended Pavement Section	7 inches of ODOT 452 concrete pavement over a minimum of 8 inches of ODOT 304 crushed limestone aggregate base, with one layer of Tensar HX165 geogrid or equivalent placed over prepared subgrade
Geogrid	Recommended to help mitigate potential differential settlement related to variations between the remediation backfill and surrounding soils.
Key Concrete Mix Requirements	Use crushed limestone coarse aggregate; evaluate ASR potential using ASTM C1567; consider GGBFS at 20 to 40 percent cement replacement for ASR mitigation; use Type IL cement with 5 to 8 percent air content; specify 4,000 psi minimum compressive strength at 28 days.
Jointing and Reinforcement	Space contraction joints no greater than 14 feet; limit slab length-to-width ratio to 1.25; use welded wire fabric at mid-depth; provide epoxy-coated dowels at construction and expansion joints; provide tie bars near unrestrained outside edges; thicken outer slab edges adjacent to existing pavement.

SUMMARY ITEM	RECOMMENDATION / REQUIREMENT
Construction Controls	Require SME observation and testing during subgrade preparation, proof-rolling, geogrid installation, aggregate base placement, and pavement construction. Subgrade and aggregate base should be compacted to 100 percent of Standard Proctor maximum dry density.
Drainage and Maintenance	Provide positive drainage at a 1.5 to 2.0 percent slope. Long-term performance depends on proper curing, finishing, jointing, reinforcement, drainage, traffic control, and routine maintenance.

INTRODUCTION

This letter presents pavement recommendations for standard-duty concrete pavement surfacing to be constructed in the area of the backfilled excavation completed during recent site remediation. Remediation involved excavation and removal of soils from the ground surface to shale bedrock, followed by backfilling of the excavation with limestone screenings compacted using an excavator-mounted vibratory plate compactor (i.e., hoe-pac).

We understand the area of the backfilled excavation will be resurfaced with concrete pavement, matching the adjacent and pre-existing pavement surface materials. We are providing the following pavement recommendations for reference in designing and constructing a new pavement surface intended to support the standard-duty vehicle traffic expected for this site use.

PAVEMENT SECTION RECOMMENDATION

Based on the area of removal for remediation, we estimate the area expected to be paved will total about 2,000 square feet, with an approximate perimeter of 205 feet. Due to the intended use of the pavement as a vehicle parking lot with minimal heavy vehicle traffic, we recommend a standard-duty pavement section as shown in Table 1. We have included a recommended geogrid layer intended to help mitigate differential settlement in the new pavement due to possible variations in the density and consistency of the fill used to backfill the remediation excavation and the surrounding soils. Our recommendations are based on our experience with similar applications and AASHTO pavement design methodology. The pavement section presented herein is designed to provide a service life of about 25 years if constructed and maintained properly. Maintenance activities, including patching and crack sealing, should be performed at periodic intervals to maintain the pavement surface.

TABLE 1: RECOMMENDED STANDARD-DUTY CONCRETE PAVEMENT SECTION

LAYER	MATERIAL	THICKNESS (INCHES)
Concrete Surface	ODOT 452 ⁽¹⁾	7.0
Aggregate Base	ODOT 304 Crushed Limestone	8.0 min. ⁽²⁾
Geogrid	Tensar HX165 or equivalent	1-layer ⁽³⁾

- NOTES:
- 1. As modified in the Concrete Material Recommendations section below.
 - 2. Minimum aggregate base thickness. May consist of existing backfill removed and reinstalled.
 - 3. Overlap adjacent geogrid sections by 1 to 2 feet along long edges. Install geogrid layer over subgrade suitably prepared with observation and testing performed by SME.

CONCRETE MATERIAL RECOMMENDATIONS

We recommend that the ODOT 452 concrete surface presented in Table 1 be used and modified as noted below.

CONCRETE MIX PROPERTIES

1. We do not recommend gravel or slag aggregates be allowed as the coarse aggregate.
2. We recommend that ASTM C1567 testing be performed on the blended aggregate and cementitious materials to determine the potential for alkali-silica reaction (ASR). The blend should provide less than 0.1 percent expansion. A mix design should be submitted documenting the results of the ASTM C1567 test program.
3. Ground granulated blast furnace slag (GGBFS) may be used as a mitigation agent for ASR at a cement replacement rate of 20 to 40 percent.
4. The cement type should be Type IL with air content specified at 5 to 8 percent.
5. We recommend that the minimum specified compressive strength of the concrete mix be 4,000 psi at 28 days.

CONCRETE JOINTING AND REINFORCEMENT

1. We recommend that contraction joints be spaced a maximum of 14 feet, based on the concrete design thickness of 7 inches.
2. The length-to-width ratio of individual slabs should not exceed 1.25.
3. We recommend that slabs use welded wire fabric (6x6 – W2.9xW2.9) at mid-depth to maintain aggregate interlock at cracks and joints.
4. At construction joints and full-depth expansion joints, we recommend that 1.0-inch diameter, 18-inch long, smooth dowels be installed at 12-inch spacing along the joint.
5. We recommend that No. 5, 30-inch-long, deformed tie bars be installed at 30-inch spacing along the first joint inside the unrestrained outside edge to laterally restrain the pavement.
6. Tie bars should not be placed within 15 inches of contraction joints, so they do not interfere with joint movement.
7. All tie bars and dowel bars should be epoxy-coated and installed mid-depth within the slabs in accordance with ODOT requirements.
8. At the perimeter ends/edges of abutting existing pavements, we recommend thickening the outer 2 feet of the new slab by 2 inches (to 9 inches).

CONCRETE FINISHING AND CURING

1. The contractor must submit a plan for finishing and curing the concrete surface, with specific discussion of curing and finishing methods due to the use of Type IL cement.
2. We recommend a broom finish and uniform application of a curing compound meeting the requirements of ASTM C309 Type 2 at a rate of one gallon per 225 square feet.

3. We recommend that all saw cutting be performed as soon as possible after concrete placement without damaging the pavement finish. We recommend a saw-cut depth of 2 inches based on the planned slab thickness of 7 inches. We recommend the use of soft-cut saws so that sawing can be performed within four hours after concrete placement.
4. **Traffic should not be allowed on the concrete until the concrete has reached 75 percent of the design strength.**

The contractor should be required to submit a pavement installation and jointing plan to SME for review and approval prior to proceeding with the concrete pavement installation. Care should be taken to address concrete finishing and curing due to the use of Type IL cement. **Long-term performance of concrete pavement is highly dependent on proper curing, finishing, joint layout, joint construction, and reinforcement.**

GENERAL PAVEMENT CONSTRUCTION NOTES

Preparation of the paving area and pavement construction must be performed with observation and testing by SME, as required. The pavement should be constructed in accordance with the following recommendations:

1. Sawcut the existing concrete pavement along the planned perimeter of the paving area.
2. The planned paving area(s) should be cleared of existing concrete pavement, surficial aggregate, and other deleterious materials.
3. After clearing, cut the subgrade to the levels required to allow construction of the planned pavement section: 7 inches of concrete pavement over 8 inches of ODOT 304 aggregate base with a geogrid layer.
4. The exposed subgrade should be graded to a slope similar to the proposed pavement surface. The new pavement surface should be designed and installed to provide positive drainage at a minimum slope of 1.5 percent and a maximum slope of 2.0 percent.
5. The subgrade must be compacted to a minimum of 100 percent of the maximum dry density as determined by the Standard Proctor test.
6. After the subgrade is compacted, it must be proof-rolled using a fully loaded tandem-axle truck weighing at least 40,000 pounds. The purpose of the proof-roll is to locate areas of unstable subgrade. Loose or soft areas identified during proof-rolling will need to be recompacted, if feasible, or undercut and replaced with additional engineered fill. We recommend a proof-roll criterion of a maximum of 1/4 inch of deflection or rutting. Site-specific conditions may require adjusting the proof-roll criterion, which should be agreed upon in writing by the Owner and SME. SME should be on-site to observe the proof-roll and make judgments regarding the suitability of the subgrade for pavement support. *In confined areas where a proof-roll may not be feasible, subgrade evaluation may require the use of hand-operated augers and dynamic cone penetrometers (DCPs).*
7. Install geogrid in strips over the subgrade, overlapping adjacent strips by 1 to 2 feet.
8. The aggregate base placed over the geogrid and prepared subgrade surface should be compacted to a minimum of 100 percent of the maximum dry density as determined by the Standard Proctor test.

As with any pavement, cracking is inevitable, particularly due to thermal changes, trapped groundwater, and frost action. Cracking will occur, and some pavement repairs are expected before the pavement reaches its design life. Proper drainage, protection from oversized loads, and regular maintenance can help reduce pavement distress. Routine maintenance, such as crack sealing, joint sealing, and patching, should be performed so water infiltration and frost heave effects associated with the local climate are minimized.

We appreciate the opportunity to continue to assist you on this project. Please let us know if you have questions or if we can further assist you.

Sincerely,

SME

WELDERS - Receive rate prescribed for craft performing
operation to which welding is incidental.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Note: Executive Order 13658 generally applies to contracts subject to the Davis-Bacon Act that were awarded on or between January 1, 2015 and January 29, 2022, and that have not been renewed or extended on or after January 30, 2022. Executive Order 13658 does not apply to contracts subject only to the Davis-Bacon Related Acts regardless of when they were awarded. If a contract is subject to Executive Order 13658, the contractor must pay all covered workers at least \$13.65 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract from May 11, 2026, through December 31, 2026. The applicable Executive Order minimum wage rate will be adjusted annually. Additional information on contractor requirements and worker protections under Executive Order 13658 is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

The body of each wage determination lists the classifications and wage rates that have been found to be prevailing for the type(s) of construction and geographic area covered by the wage determination. The classifications are listed in alphabetical order under rate identifiers indicating whether the particular rate is a union rate (current union negotiated rate), a survey rate, a weighted union average rate, a state adopted rate, or a supplemental classification rate.

Union Rate Identifiers

A four-letter identifier beginning with characters other than SU, UAVG, SA, or SC denotes that a union rate was prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2024. PLUM is an identifier of the union whose collectively bargained rate prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. The date, 07/01/2024 in the example, is the effective date of the most current negotiated rate.

Union prevailing wage rates are updated to reflect all changes over time that are reported to WHD in the rates in the collective bargaining agreement (CBA) governing the classification.

Union Average Rate Identifiers

The UAVG identifier indicates that no single rate prevailed for those classifications, but that 100% of the data reported for the classifications reflected union rates. EXAMPLE:

UAVG-OH-0010 01/01/2024. UAVG indicates that the rate is a weighted union average rate. OH indicates the State of Ohio. The next number, 0010 in the example, is an internal number used in producing the wage determination. The date, 01/01/2024 in the example, indicates the date the wage determination was updated to reflect the most current union average rate.

A UAVG rate will be updated once a year, usually in January, to reflect a weighted average of the current rates in the collective bargaining agreements on which the rate is based.

Survey Rate Identifiers

The SU identifier indicates that either a single non-union rate prevailed (as defined in 29 CFR 1.2) for this classification in the survey or that the rate was derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As a weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SUFL2022-007 6/27/2024. SU indicates the rate is a single non-union prevailing rate or a weighted average of survey data for that classification. FL indicates the State of Florida. 2022 is the year of the survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 6/27/2024 in the example, indicates the survey completion date for the classifications and rates under that identifier.

SU wage rates typically remain in effect until a new survey is conducted. However, the Wage and Hour Division (WHD) has the discretion to update such rates under 29 CFR 1.6(c)(1).

State Adopted Rate Identifiers

The SA identifier indicates that the classifications and prevailing wage rates set by a state (or local) government were adopted under 29 C.F.R 1.3(g)-(h). Example: SAME2023-007 01/03/2024. SA reflects that the rates are state adopted. ME refers to the State of Maine. 2023 is the year during which the state completed the survey on which the listed classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 01/03/2024 in the example, reflects the date on which the classifications and rates under the SA identifier took effect under state law in the state from which the rates were adopted.

WAGE DETERMINATION APPEALS PROCESS

1) Has there been an initial decision in the matter? This can be:

- a) a survey underlying a wage determination
- b) an existing published wage determination
- c) an initial WHD letter setting forth a position on a wage determination matter
- d) an initial conformance (additional classification and rate) determination

On survey related matters, initial contact, including requests for summaries of surveys, should be directed to the WHD Branch of Wage Surveys. Requests can be submitted via email to davisbaconinfo@dol.gov or by mail to:

Branch of Wage Surveys
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

Regarding any other wage determination matter such as conformance decisions, requests for initial decisions should be directed to the WHD Branch of Construction Wage Determinations. Requests can be submitted via email to BCWD-Office@dol.gov or by mail to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2) If an initial decision has been issued, then any interested party (those affected by the action) that disagrees with the decision can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Requests for review and reconsideration can be submitted via email to dba.reconsideration@dol.gov or by mail to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210.
